## COVID-19

Everyone is aware of the increased number of positive cases in our area. We are following all protocols at school to keep everyone safe and healthy. Parents, we need your help in slowing the spread:

- If someone living in your household, or that your child was exposed to is **tested** for COVID, **do not** send your child to school.
- **Call** the school and speak to the nurse
- **Communicate** with your child's teacher about his/her school work
- If a **positive result** is received, call the school and talk to the nurse. She will advise you on quarantine days for your student.
- Upon receiving a **negative result**, please contact the nurse to learn your next steps.

Constant communication with the school and our nurse is **VERY IMPORTANT** in us helping to keep everyone safe!

## YEARBOOKS

Yearbooks are on sale now for \$20 until January 15, 2021. On January 16, the cost will be \$25. There are a few personalization options you can choose for an additional cost. Please order online at [jostensyearbooks.com](http://jostensyearbooks.com) or on the order form sent home before Christmas.

## MASKS

Please make sure you are washing your child's cloth masks twice a week. Clean masks are important for helping to keep your child healthy.

## COATS

PLEASE write your child's name in his/her coats and hats!

## VIRTUAL STUDENTS

If your child is virtual, please make sure that they have an appropriate place at home to view their lessons on the Chromebook. It is important that they sit at a table or desk to do their assignments and that they log on at the beginning of the class. Adult supervision is needed to ensure that students stay online and complete assignments in a timely manner.

## CHROMEBOOKS

Please make sure your child takes care of their Chromebook at all times. Find a safe place at home, away from small children and pets, to store the Chromebook when not in use. The plastic cases were purchased to transport, store and protect the Chromebook. A child should not be allowed to eat or drink while using the Chromebook. If a liquid is spilled in the Chromebook, it will not work. ONLY the student should be using the Chromebook to complete his/her school assignments. Other children or adults should not be using the device. Fees will be charged to parents for repair of Chromebooks and equipment. Parents, thank you for making sure your child brings the case back to school on the appropriate days.

### Replacement costs:

Tub Replacement: \$10

Chromebook Screen: \$50

Chromebook: \$200
