February, 2021

TRANSITION PLAN

The school board met recently and approved a transition plan for LES students. Beginning February 15, all face to face students will attend school 4 days a week, Monday through Thursday. On March 8, they will transition to attending school 5 days a week. Our daily schedule will not change and lunch will continue to be served in the classroom. All staff and students will be expected to continue to follow their safety protocols and masks must be worn at all times.

If your student is currently a virtual student and you wish for them to come back to school, please call the school and make that request. Changes will be made based on the availability of space in our classrooms.

YEARBOOKS

Yearbooks are on sale through February 19, 2021. There is only one option this year and it is a full color, softback book for \$25. You can order via the flier that was sent home in January or online at jostensyearbooks.com. Order yours today! Extra books will be limited!

CAR RIDERS

PLEASE DISPLAY YOUR CAR TAGS in one of these ways, so we can read the name(s). This helps us move traffic more efficiently.

on visor with a rubber band or clip

COVID-19

Everyone is aware of the increased number of positive cases in our area. We are following all protocols at school to keep everyone safe and healthy. Parents, we need your help in slowing the spread:

- **If someone living in your household, or if your child was exposed to someone who is being tested for COVID, do not send your child to school.**
- Call the school and speak to the nurse
- Communicate with your child's teacher about his/her school work
- If a positive result is received, call the school and talk to the nurse. She will advise you on quarantine days for your student.
- Upon receiving a negative result, please contact the nurse to learn your next steps.

Constant communication with the school and our nurse is VERY IMPORTANT in us helping to keep everyone safe!
