

STAFF CONDUCT

Code **GBEB** Issued **9/10**

Purpose: To establish the board's vision for appropriate staff conduct.

The board reaffirms one of the oldest beliefs in education, which is “One of the best methods of instruction is that of setting a good example.”

The board expects the staff of the district to strive to set the kind of example for students that will serve them well in their own conduct and behavior and subsequently contribute to an appropriate school atmosphere.

To that end, in dress, conduct and interpersonal relationships, all staff should recognize that they are being continuously observed by students and that their actions and demeanor will be reflected in the conduct of the students.

The personal life of an employee will be the concern of and warrant the attention of the board only as it may directly prevent the employee from effectively performing assigned functions during duty hours or as it violates local, state or federal law or contractual agreements.

No employee will commit or attempt to induce students or others to commit an act or acts of immoral conduct which may be harmful to others or bring discredit to the district. If it appears an employee may have violated the law, the district will cooperate with law enforcement agencies.

Employees of the district, while on duty and in the presence of students, will not use profanity, will not use tobacco in any form and will not consume or be under the influence of intoxicating beverages. Employees will not be involved in drug abuse or drug traffic.

Violations of this policy by employees will be grounds for immediate suspension and possible termination of employment. In such cases, an employee will be informed of his/her right to any hearing or due process procedure that may be applicable under law or district policy.

The following list includes some of the actions that are considered misconduct while on duty on or off district premises.

- possessing, using, selling, manufacturing, distributing or dispensing any illegal drugs or alcohol while on duty or off district property
- fighting or deliberately harming another
- being absent without approval

Arrest of an employee

The board delegates specific authority to the superintendent to take appropriate employment action with regard to an employee who has been arrested, consistent with state law.

- Employees arrested for a misdemeanor offense which would indicate no danger or appearance of danger to students, co-employees or the district will normally not be subject to any employment action.
- Employees arrested for a misdemeanor offense which would indicate a possible danger or appearance of danger to the school district, co-employees or to students will normally be suspended with pay pending adjudication.
- Employees arrested for a misdemeanor offense which would indicate a possible danger or appearance of danger to students but not to the school district or co-employees will normally be reassigned to different responsibilities away from students within the district pending adjudication.
- Employees arrested for a felony offense will normally be suspended with pay pending adjudication.

In certain circumstances, other employment action may be taken.
