

TUTORING FOR PAY

Code **GCRD** Issued **3/05**

Purpose: To establish the basic structure regarding district staff tutoring students for payment.

A teacher may enter into an agreement with parents/legal guardians for tutoring children for a fee. This practice must be limited to children other than those for whom the teacher is currently exercising teaching, administrative or supervisory responsibility. These restrictions are to assure all students reasonable assistance without charge from their own teachers, as well as to avoid placing a teacher in a position where he/she may have a conflict of interest.

A teacher may not tutor any student for pay during his/her regular working hours. A teacher may not tutor a student on school premises without prior permission from the principal.

| These agreements are between the ~~parents~~ parents/legal guardians and the teachers, and the district assumes no responsibility for monitoring these activities.
