

# EVALUATION OF PROFESSIONAL STAFF

Code **GCO** Issued **9/11**

---

Purpose: To establish the basic structure for evaluation of administrators in the district to ensure accountability.

The appropriate personnel will evaluate the performance of every administrator fairly and on a periodic basis in an effort to improve the quality of all work performance.

The superintendent will enforce the rules, regulations and procedures necessary for conducting an efficient, effective program of evaluation in accordance with state laws and regulations.

The elements of the performance evaluation program are as follows.

- Every employee is informed of the criteria by which his/her performance is evaluated.
- Every employee has the right to receive the results of his/her performance evaluation in writing.

## **Principal evaluation**

The district will use standards and procedures adopted by the state board of education for the purpose of conducting evaluations of principals and guiding their professional development. The superintendent may add standards and criteria as established by the board and/or by the principal and superintendent in collaboration. The district may use an approved alternative evaluation process that meets state standards and national standards.

The district will establish an annual Professional Development Plan (PDP) for a principal based on the state evaluation program's performance standards and criteria and the school's renewal plan.

The district will utilize the results from principal evaluations in decisions regarding principal development, compensation, promotion, retention and removal. Satisfactory performance on an evaluation does not guarantee reemployment as a principal.
