

## ORGANIZATION OF INSTRUCTION

Code **IE** Issued **4/05**

---

Purpose: To establish the basic structure for instruction in the district.

The board is legally responsible for meeting the needs of persons of all ages for elementary and secondary education.

The board believes that the district should be organized around a pattern that will give all students an opportunity to maximize their potential. We further recognize that no educational organization should be so solidified that new organizational patterns are difficult to implement as educational research gives us greater insights into how children learn.

At the present time the organizational plan for the Latta Schools has been divided into the levels by schools as indicated below.

<b>School</b>	<b>Grades</b>
Latta Early Childhood Center	K-1
Latta Primary	2 - 5
Latta Middle School	6 - 8
Latta High School	9 - 12

The district will provide preschool, child development and adult/community programs structured to meet the needs of the citizens of the district.
