

SCIENCE EDUCATION

Code **IHAD** *Issued* **4/05**

Purpose: To establish the board's vision for science education.

Science education is a general educational activity for all students. The primary goal of the district's science program is to develop a scientifically literate citizen. The science program is designed to promote the development of skills, concepts and attitudes which will help students discover, interpret and control natural phenomena as well as the products of technology which confront them daily. The district will develop curriculum guides to present learning opportunities to students so that skills and knowledge as presented in the state academic standards may be acquired. The curriculum will address kindergarten through twelfth grade.
