

SUMMER SCHOOL

Code **IHCA** Issued **4/05**

Purpose: To establish the basic structure for summer instruction of students.

The district will offer a summer school program based on the school administration recommendation whenever there is enough interest by students and parents for such a program. The district will operate the summer program in accordance with standards required by the state department of education and the Southern Association of Colleges and Schools.

Schools will charge students a fee to cover the expenses of staffing, providing instructional materials, textbooks and other expenses directly related to the instructional program of the summer school.
