

ADMISSION OF LIMITED ENGLISH PROFICIENCY AND MIGRANT STUDENTS

Code **JFABE*** Issued **9/15**

Purpose: To establish the basic structure for the admission of students with limited English proficiency and migrant students to schools within the district.

Students with limited English proficiency and migrant students will have equal access to the same educational opportunities as other students within the district.

A student will not be denied enrollment due to the lack of proof of immigration status and the district will not request that information from the parents/legal guardians.

Only the following two documents are required for enrollment:

- immunization records (DHEC allows a 30-day waiver for student to present records or to begin immunizations)
- birth certificates or proof of age (required for first-time enrollment of children entering kindergarten or first grade)

Parents/Legal guardians do not have to present a South Carolina driver's license or other photo ID for access to the main office in order to enroll their children in school.

Students with limited English proficiency should be placed with students of the same age.

Students with limited English proficiency and migrant students are eligible to participate in all age-appropriate school programs and to receive all available services.

The district will not deny admission to any student on the basis of race, religion, sex, disability, national origin, immigrant status, or English-speaking status.

Parents/Legal guardians may contact the state department of education to file a complaint if they believe their children have been denied enrollment due to their English-speaking or immigration status.
