

# STUDENT CONDUCT

Code **JIC** Issued **6/05**

---

Purpose: To establish the board's vision for student conduct.

The board expects students to conduct themselves in an orderly, courteous, dignified and respectful manner at school and school-related activities. This requirement refers to students' actions toward other students, teachers, staff and volunteers, as well as in students' language, dress and manners. The board believes self-discipline is an implicit goal of public education.

Students have a responsibility to know and follow the policies, rules and regulations of their individual schools and of the district. Violations will result in disciplinary actions.

The board authorizes appropriate school and district personnel to use appropriate disciplinary sanctions including, but not limited to, probation and suspension and to recommend expulsion, where necessary, to enforce this policy.

Adopted 7/1/75; Revised 8/13/91, 6/14/05
