LATTA, SOUTH CAROLINA

EXECUTIVE SUMMARY

FISCAL YEAR ENDED JUNE 30, 2012

DILLON COUNTY SCHOOL DISTRICT NO. 3
EXECUTIVE SUMMARY
FISCAL YEAR ENDED JUNE 30, 2012

The Dillon County School District No. 3 basic financial statements for the year ended June 30, 2012 are prepared in accordance with generally accepted accounting principles as applicable to governmental entities. Based upon our audit, we have concluded that the District's financial statements are fairly presented in conformity with these generally accepted accounting principles and have rendered an unqualified opinion on its basic financial statements.

We conducted our audit in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing accounting principles used, and evaluating the overall financial statement presentation.

The financial presentation for the District meets the requirement of Governmental Accounting Standards Board (GASB) Statement No. 34 and related pronouncements. This financial statement presentation provides a comprehensive, entity-wide presentation of the District's net assets, revenues, expenses, and changes in net assets that replaces the fund perspective previously required.

Enclosed is selected financial information which is presented to provide a summary of the District's operations for the current fiscal year. This financial information reflects a summary of financial activity and encompasses significant transactions of the District.

STATEMENT OF NET ASSETS**

The Statement of Net Assets presents information on all of the District's assets and liabilities, with the difference between the two reported as net assets.

The District's assets consist primarily of cash and investments; amounts receivable from other governments; and capital assets. Liabilities mainly represent accounts payable, accrued expenses, unearned grant revenues, and bonds payable. Net assets, within accounting usage, is the difference between total assets and total liabilities. Theoretically, it represents the amount of cash left on hand in an entity if all assets were liquidated and converted to cash and all liabilities were paid in full.

Total assets, liabilities, and net assets as of June 30, 2012 are as follows:
