Upcoming Events

BUSES & SECURITY CAMERAS

Latta Schools is committed to the safety of all students and staff members. The district has continued to prioritize safety through the installation of vape detectors and camera systems to assist with encouraging safe behaviors. We are joining other districts in our state by adding camera systems on our buses. Your children have likely seen four cameras already installed on each school bus. Research shows that camera systems promote safe driving and help protect children both on the bus and while at their stops. Thank you for helping our schools by encouraging your children to be safe at school and while riding the bus.

POWERSCHOOL

Access

- Current grades
- GPA
- Upcoming assignments
- Attendance
- Daily announcements
- Class schedule

If you'd like real-time access to your student's information, make sure to sign up for your account at
