

Dillon School District 3
Information on External Applications

Date of Application: 12/1/2023

Application: Loom

Site: <https://www.loom.com>

Company Location: San Francisco, CA

Student Accounts: It doesn't appear that students need accounts to access any material on Loom.

Any Data Integrations Needed with District: Loom indicates that once videos are created then the links can be sent via any mechanism to be watched by consumers.

Data Storage Location: AWS servers

Privacy/Security Information: <https://www.loom.com/privacy-policy>

Key Privacy points:

Pros:

- Compliant with COPPA
- Compliant with GDPR
- Compliant with FERPA
- Approved for children under 13
- Targeted advertising is not permitted on DeltaMath
- No selling of student data

Cons:

- IMS Dashboard indicates that it is safe for children under 13 but Loom Privacy Policy indicates that children under the age of 13 should not sign up for an account.

Narrative: Loom allows teachers to record small videos for sharing instructional resources with students.

Status: Approved
