Privacy/Security Information: web.seesaw.me/privacy

Key Privacy points:

> Never sell data
> Never advertise
> Student work is private to the classroom by default
> Compliant with FERPA, COPPA, GDPR, MFIPPA and Australian Privacy Act
> Signed the *Student Privacy Pledge*

Narrative: SeeSaw is an online application and source of teaching resources that was used for free by teachers at Latta Elementary School during the pandemic. Free access was terminated at the beginning of 2021 so LES teachers requested that it be purchased. During examination it appears that there are no barriers to our schools continuing to use SeeSaw. As far as we can determine it requires no student accounts nor integrations with any of our systems. Based on this we deem the application safe to use in Dillon School District 3.

Status: Approved for use by Dillon School District 3
