

Dillon School District 3
Information on External Applications

Date of Application: 11/15/2021

Application: Tinkercad

Site: <https://www.tinkercad.com> (owned by Autodesk)

Company Location: San Rafael, CA

Student Accounts: Students can sign-in to Tinkercad using either an anonymous seat in the class provided via a bookmark by the teacher or by using their Google account.

Any Data Integrations Needed with District: Not really except that students can access Tinkercad via their Google account.

Data Storage Location: Data can be stored in other countries

Privacy/Security Information: <https://www.autodesk.com/company/legal-notices-trademarks/privacy-statement> and <https://www.tinkercad.com/privacy>

Key Privacy points:

Pros:

GDPA compliant

CCPA compliant

Cons:

The amount of data that Autodesk collects for each user including children is way too much.

Autodesk makes no attempt to disclose whether they advertise or not in their policies but the Tinkercad site indicates that they do not advertise.

Narrative: Tinkercad is a product of Autodesk for providing free web apps to encourage students in engineering disciplines. This includes 3D design, electronics, coding and augmented reality.

Status: Approved
