Date of Application: 9/6/2023

Application: Vector Solutions

Site: <https://www.vectorsolutions.com>

Company Location: Tampa, FL

Student Accounts: From their website: "Certain services and features of www.vectorsolutions.com are accessible only to registered users. The rights to register with www.vectorsolutions.com and to be issued a username or password by Vector Solutions are available only to those individuals who provide to Vector Solutions the requested accurate, complete and current personally identifiable information." So not sure if that means out students or not.

Any Data Integrations Needed with District: Their website indicates that they support several different solutions for SSO. The Clever site indicates that it supports "Vector Training" which appears that it might be what we need.

Data Storage Location: There is no indication of where the data is stored opening the potential for data to be stored outside of the US following different privacy and security rules.

Privacy/Security Information: https://www.vectorsolutions.com/privacy-policy/?_hstc=2174319.ee0eae6a2ad3d14e5a429a900bc8b69d.1626705617754.1626705617754.1626705617754.1&_hssc=2174319.1.1626705617755&_hsfp=3989423374

Key Privacy points:

Pros:

Their privacy policy references FERPA and indicates that they may be FERPA compliant
Their privacy policy references COPPA but doesn't really state if they are COPPA compliant
GDPR status unknown
Approved for children under 13

Cons:

- There is no indication that Vector Solutions is GDPR compliant.
- Their solutions do link to other 3rd party services which may or may not adhere to our privacy standards.

Narrative: Vector Solutions provides online training solutions for a large variety of applications. In this particular case, the SCDE has partnered with Vector Solutions to provide all school districts with access to their library of Student Safety and Wellness Courses.

Status: Conditionally approved as long as we are okay with the cons mentioned above.
