

Dillon School District 3
Information on External Applications

Date of Application: 9/14/2022

Application: Insert Learning

Site: <https://insertlearning.com>

Company Location: Stillwater, Minnesota USA

Student Accounts: This is a Google extension so students have to authenticate with their Google account to utilize the service.

Any Data Integrations Needed with District: No since it integrates with Google as an extension.

Data Storage Location: All data will be stored in the US.

Privacy/Security Information: <https://insertlearning.com/policies>

Key Privacy points:

Pros:

FERPA compliant
COPPA compliant

Cons:

- There is no indication that InsertLearning is GDPR compliant.
- Users can ostensibly post content available to the public.

Narrative: InsertLearning is a Google Chrome extension that transforms any webpage content into interactive lessons. IMS Dashboard indicates that the service should be okay to use along with other vetting processes. However, users can ostensibly post content that can be viewed publicly which open up an avenue for students to post content that they shouldn't to people that shouldn't be seeing it. InsertLearning is a private for-profit company and their subscriptions are not free.

Status: Approved
