

FOOD SERVICE NEWS FOR SCHOOL YEAR 2023-2024

We are pleased to inform you that **DILLON DISTRICT THREE**, Child Nutrition Program, will be implementing a new option participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for School Year 2023-2024.

What does this mean for you and your children attending the school(s)?

All enrolled students are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household for the 2023-2024 school year. Families will **not** have to fill out meal applications. No further action is required of you.

Breakfast and lunch meals will follow the United States Department of Agriculture (USDA) guidelines for healthy school meals. Please encourage students to participate in our school meal program.

We ask you in advance to contact the cafeteria manager in which your child attends to take care of any remaining balance for school meals purchased for this year.

Accounts must be paid by the end of the year.

You may pay on-line by going to www.dillon3.k12.sc.us and clicking on the “Resources” menu, then clicking on “Parents” and locate the K-12 Payment Center to sign up.

The school cafeteria manager will assist you with your child’s student account number or payment. You may also send a check or cash to the cafeteria manager for amounts due on accounts.
